

## LADIES GOLF GAUTENG SELECTION CRITERIA

This document serves to give all aspiring golfers in Gauteng, who are eligible for selection to the Gauteng squad, a guideline to the selection process to represent Gauteng for the Inter-provincial Tournament and 72 Holes Team Championship run by WGSA (Womens Golf South Africa).

The criteria for selection are listed below and players **should** play at least four of the listed tournaments. Overseas students are exempt from playing these tournaments but **must** keep us informed of their progress overseas, keep us informed of their handicap and enter scores regularly (foreign rounds) on the HNA website via internet. They **must** arrive in South Africa at least two weeks prior to a Provincial tournament, e.g. IPT or 72 Holes.

- Players must have a handicap of 9 or less.
- Our order of Merit and that of WGSA will be used as a guideline only; the LGG Executive will be entitled to two “wild card” picks should these be necessary.
- Players selected and playing for The Lions (first team) will be awarded Gauteng Colours.
- Gauteng Colours will be awarded at the LGG AGM in May following the year of selection.
- Should training, squad practice and motivational sessions be organised you will be advised and attendance is compulsory.
- It is also imperative that fitness levels are maintained and failure to pass a fitness test could affect selection.
